WBS Junior Knights

GENERAL INFORMATION

Wilkes-Barre/Scranton Jr Knights youth hockey is the premier youth hockey program in Northeastern PA enjoying a 10 year history of building great hockey players and developing young men and women who love the sport. The WBS Jr Knights, through its partner Northeast Youth Hockey (NYHA), are looking for corporate partners and sponsors to participate in the travel hockey scholarship program. NYHA is a 501(c)3 that provides limited funding to qualified young hockey players to assist with costs associated with the sport of travel hockey on both a merit based approach as well as a financial need based approach. These funds will be used to offset the costs of the hockey program for "qualified" participants as well as keep the overall fees of hockey tuition low.

More than 150 youth of all ages and abilities participate in our hockey programs each year. Whether they're starting out in our Learn to Play Hockey program or competing on one of our high level travel teams, these young athletes gain valuable sportsmanship skills, stay physically fit, and most of all, have fun!
