

WBS JR KNIGHTS HOCKEY

SCHOLARSHIP PROGRAM

The WBS Jr Knights are looking for corporate partners to participate in the travel hockey scholarship program. **Northeast Youth Hockey Association (NYHA)** is proud to provide limited funding to qualified young hockey players to assist with costs associated with the sport of travel hockey on both a merit based approach as well as a financial need based approach. These funds will be used to offset the costs of the hockey program for “qualified” participants. The average youth travel hockey season costs \$2500 per player per year

The **Wilkes-Barre/Scranton Junior Knights** are USA Hockey-sanctioned ice hockey teams playing at Revolution Ice Centre in Pittston, PA ranging from **Mites** (Age 5) to **Bantam** (Age 14). led by Head Coach / Director of Knights Hockey, Alex Vasko. Currently, over 125 kids play for the WBS Jr Knights on 8 teams. The WBS Knights teams play in the **Atlantic Youth Hockey League (AYHL)** and the **Eastern Junior Elite Prospects League (EJEPL)**. The AYHL is the premier Tier I AAA travel league on the East Coast and is comprised of over 125 teams from the Atlantic, Southeast, New York and New England Districts. The EJEPL was created to prepare players to become the Junior, Prep School and College recruits of the future with its (90) partner organizations.

WHERE DOES THE MONEY GO?

- ✓ Sponsorships are used to fund the Northeast Youth Hockey Association travel scholarship program which directly offsets the tuition for qualified participants of the WBS Knights program that includes:
 - ✓ ~100 total ice sessions including games and practices with training from USA Hockey certified coaches
 - ✓ Education of team concepts and structures in a season that runs from September to March
- ✓ Financial need scholarship applicants must prove a financial need.
- ✓ The merit based program is available to players based on their sports performance. Merit-based scholarships are not only limited to a player's hockey abilities, but will consider the player's grades, and also other factors such as team leadership roles, extracurricular activities and school or community involvement.
- ✓ Remaining funds are used to lower the overall tuition of the youth travel hockey teams.
