

# ALTERNATE JERSEY SPONSORSHIP FORM

During the season, the Wilkes Barre-Scranton Knights ice hockey team partners with local non-profits and other organizations to raise money and awareness for their cause. In order to teach our players the importance of giving back to the community, the organization has elected to allow teams to wear jerseys for a cause. In order to obtain these game jerseys, the team must obtain a sponsor or sponsors to pay for the jerseys. Sponsors' logos are displayed on the jerseys.
